

Mr. Alfred Womack Sr.

June 3, 1946 - May 7, 2026

Alfred was educated in the Alton School District and went on to attend Kansas State University. He then enlisted in the United States Armed Forces, proudly serving his country. After his service, he began his professional journey working at Ander's ____, then later at Owens Illinois Glass Company.

Alfred later made a life-changing decision to pursue a career in law enforcement, becoming one of the first Black police officers in Alton, Illinois. He served the community with great conviction, dedication, and integrity. He worked in many capacities in the Alton Police Department, in a part-time capacity working as both a jailer and a prison transporter before retiring a second time. His commitment to protecting and serving others was unwavering, and he took great pride in his work.

Throughout his life, Alfred remained devoted to his family and community. He was a proud father, grandfather, great-grandfather, and friend—a “forever officer” whose legacy of service and strength will not be forgotten.

In his personal time, Alfred enjoyed gardening and was a longtime member of Nautilus Fitness Center, where he valued staying active and connected with others.

“ I'm saddened to hear about Al's passing. I had the honor of working beside him for 23 years at the Alton Police Department, and in all that time, he was someone you could always count on. He wasn't just a coworker; he was part of the family we built together over the years. His presence, sense of humor, and commitment to the job will never be forgotten. My thoughts and prayers are with his family and all who had the privilege of knowing him.
