“ Benson you will be truly missed, especially when it comes to a good mechanic, Who knows what to do. Gone to soon my friend.

“ Benson could diagnose and fix a vehicle without it being put on a diagnostic machine and it NEVER took all day. This was always coupled with laughter.
No more fear. You will be missed. Praying for your family during this difficult time.

“ Benson was one of my dad's (Bill Becoat) favorite shade tree mechanics. He'd say, "Go on round the corner and see if Benson is home. He can fix it!" Much love and prayer to All of his family and friends. Thank you for using your talents to help others. Rest easy...
