“ *Bo was like a father to me. An absolute great mentor he taught me things and kept me level-headed so many times was always there when I needed him always had my back he always reminded me what I was worth and what I deserve never accept less just like a dad would. He was always there for the kids as well my children have known both since they were born. I'm so hurt behind this loss but I will cherish every memory that I built with him*
