

Chase Bowles

May 1, 2002 - September 15, 2023

Chase Bowles, who graced the world with his presence on May 1, 2002, transitioned from this life on Friday, September 15th, 2023, at the young age of 21. Born to Kimberly Bowles and Robert Carter in Alton, IL, Chase was raised by his mother, who provided a nurturing and loving environment, along with his Nana Cookie and TiTi Nell, and 4 uncles: Marcus, Matthew, Devin, and Brandon, all whom he adored. Chase spent many summers with his Uncle Bo and wife Deanna in Adairsville, GA, where he spent time with his cousins and learned how to be a country boy, and was later baptized at the Church of Christ. Chase was also blessed to travel the country and spend quality time with his dad, who was an over-the-road truck driver.

Chase graduated from Alton High School in 2020 and continued his education at Southern Illinois University of Carbondale, majoring in Sports Management, a degree chosen for his love of athletics. During his time at SIUC, Chase developed many new friendships and enjoyed spending time with his classmates, roommates and friends on campus. Graduating college and obtaining a career in the sports industry was a goal Chase worked hard to accomplish.

Chase was preceded in death by his great grandma, Maria Harrington, his grandmother, Erma Ray, his father, Robert Carter, his uncle, Pat Carter and his big cousin, Duck, among others. We take comfort in knowing that they are

now reunited and able to enjoy each other's company in eternity. Chase leaves behind his mother, Kimberly, his sister Roberta, his nieces Raniyah & Tomerria, a special cousin lil Taylor who was like a brother, and a host of cousins, uncles, aunts, and friends.

Chase had a radiant presence and his infectious smile lit up every room he entered, a testament to his warm and inviting spirit. Though Chase's time with us was tragically short, the impact he made on our lives was everlasting. We will forever hold onto the beautiful memories he gave us, finding comfort in knowing that his spirit lives on in our hearts.
