

## Mr. Clement West

July 22, 1948 - January 9, 2023

Clement West "Plate" was born July 22, 1948 in Saint Louis, Missouri to Harvey Logan Sr. and Emma West. He was raised in East Saint Louis, Illinois with his father, Harvey and Bertha Logan. He graduated from Dunbar High School in Madison, Illinois. He served for some time in the United States Marine Corps. He was also gainfully employed with Duncan Foundry for many years as a laborer.

Clement "Plate" West married Annie Lucas on April 3rd, 1986. They spent the last 36 years together. Plate and Annie spent most of their years on Sullivan Dr. He was better known as "Uncle Plate" to everyone who knew him. He and Annie loved children and opened their home to many. To know him was to love him.

"Plate" loved music. You could catch him doing a two-step here and there. But you would always catch him blazing a tree or two (If you know you know) Lol! He would sit out in the back yard in Sullivan, listen to music and play cards. His favorite games were Spades, Tunk and Five Thousand.

Above all he was a loving husband, father and grandfather. He didn't play about his family whom he affectionately called his booties. He definitely left an imprint on the hearts of his family and to everyone who had the opportunity to know him. He will be deeply missed.

Clement departed this life on January 9th, 2023 at 4:09 PM at St. Anthony Hospital with his family by his side. He is preceded in death by both parents, his stepmother; two sisters, Carol Logan and Pansy Logan (Robert) Price;

brother, Michael Logan and grandson, Adam Williams.

He leaves to cherish beautiful memories to his loving wife, Annie West; two daughters, Tina (David) Adams of St. Louis, MO and Maceo Stampley of Alton IL; six grandchildren, Ashely Perry, Aaron Perry, Andrew Williams, John Anthony, Chanelle Stampley and Briana Myles; five great grandchildren, Amani Williams, Angelyse and Jaylen Williams, Aaron Perry Jr. and Ocean Anthony; three sisters, Pamela Isaacs of TX, Jennie Logan of GA, Mазzie (Chris) Turner of Alton, IL; five brothers, Harvey (Ruby) Logan of GA, Darryl Logan of TX, Kerry Logan of Alton, IL , Jefferson Logan of CA and a host of cousins, nieces, nephews, family and friends.

“ I meant Plate at his best friend's house (Johnny McClennan) in Oakwood. These two were comical, fun and loving. My prayers go out to his family. He will be missed.

“ I remember when I first met Plate and Annielee. Plate's sister, Mazie, introduced them to me at a barbecue party they were having. There I also met Plate's best friend, Johnny McClennan, who I would later marry and have my first child with. Without meeting Mazie, Plate, and Annielee, I wouldn't have met Johnny or had my daughter, Lyssa, whom Plate and Annielee later babysat for. Plate and Annielee loved her and I adored them for taking good care of her. Plate became, Uncle Plate and Annielee would become Aunt Annie, not just to Lyssa, but my 2 other children as well. My life has been blessed by knowing Plate, his wife and his sister. They all became family to me and my family. Plate, I pray that you will have a good time with Scully and Hubbard until we all join on the crystal sea in Heaven! Wear your crown proudly, you've run the race and won the prize! We will meet again and walk the streets of gold and play 5,000 again. Love and miss you bunches already.
