“ Dear Pop.

*How are you in heaven. I know that you are there with Jesus, because God word says, to be absent from the body, is too be in the present of Lord. I hope your angels are showing you the streets of gold and all those beautiful jews. And your new mansion that Jesus has promised you will be worth receiving. No more sadness, no more pain, no more tears, no more sorrow, no more stress. Just resting in the blossom of Abraham arms. So, yes pop we will miss you in your physical form, but your beautiful spirit will always be with each and every one of us. Pop, I know you had a beautiful reunion with your mom and your dad and everyone else that had went before you. Pop, I know that you are watching over us down here on this Earth realm. Pretty cool that Our Creator is giving you that opportunity to look and walk among us in your spirit foam. Only God can grant such a request from those in faith. I know that you can't hear us, but can see us. I know that your journey is a new one, because you have to finish the work of Jesus, by continuing doing greater things, just like you did with the Worldwide Church of God. Now, your work assignment is doing a new calling and making Jesus smile. You will do wonderful and great things. Well, I have to go for now, but if GOD give you the opportunity to pop in ( lol ) , to check on us, please do that, Because your beautiful spirit is always welcome in our hearts and where we laid our head down. Everyone luv ❤️ you and you will be forever in our hearts 💕. From your first born, Edna*
