“ *Brother of mines it is so devastating that you are no longer here in the flesh. I am having so many racing thoughts of you making it home safely to pass away so soon after. I really love you brother with my whole heart. My heart goes out to your family and friends Jazzy really was a good dude and I know he cared for you all with his whole heart also. He has face a lot of obstacles as we all do some for the good and some for the bad but in my heart ❤️ I know you give your best in this thing we call life.Love you bro and there is one more thing I want to leave in your memory page I am not a chicken head. One of your favorite fan your sis ..dinky As you walk through the valley of death bro the good book say to fear no evil.Rest in Peace 🕊️.*
