“ I’m so sorry this happened to you!!! 😞  
I remember our last conversation when I gave you encouraging genuine words of support on how I took back control of my Life and quit abusing alcohol and you cried out to me for sharing my Love and Experiences with you. I really wanted better for you my Brother, I’ve known you my entire Life!  
Well now God has given you your rest and pray that Allah is pleased with you! 🙏🕌  
My Deepest Condolences to your Family and Friends!!! 💔💔💔💔 🙏  
🙏🙏
