“ Sending condolences and prayers to the family during this difficult time of bereavement. I met Lynetta once at a family reunion and it was like I known her all my life. She was a lovely and caring person who loved her family. I know you hate to see her go but she has made it to her final resting place. Death isn't easy no matter who it is so remember the good times to get you through. Keeping you in my thoughts and prayers! Cousin Tanisha D. Satchell from North Carolina
