“ A few years back, Shawn, and I were going to a New Years Eve party, a few days before the event Mama Hutson and I were talking about it while she was over to my house, for whatever reason, I couldn't decide what I was going to wear, I hadn't been to a real dress up New Years eve party in years. Mama Hutson sat there and picked out different outfits I had in my closet that I should try on and I did, in the end she picked out the perfect outfit and the accessories, it was such a bonding time for us and especially for me, it was such a mother/daughter n law moment, it brought tears to my eyes when Shawn and I talked about it, I had lost my mom in 2012 During this 2hr event, she was funny, honest, patient and laughed at me a lot because I was being silly with somethings, she also cared about how I should look. This memory would stay with me forever. It was just such a good time for the two of us, Mama Hutson, now you are with the Angels and you have the chance to met my Mom, AJ, will miss you as well!

Mildred was a wonderful mother-in-law. She was one those people - so easy to love. I am grateful for the time I had and will miss her dearly.

I was browsing thru E.C. Hutson's obituary (he was my cousin), and was shocked to learn Mildred had passed away last year, 2022. I am saddened because she was a warm & delightful person to be around. I was in their home a couple times & they treated me like royalty. She will be truly missed. My belated condolences to the family. I would have reached out to the family had I known. Blessings to all.
