“ Neal and I attended Lincoln School etc. We had swimming lessons at the YMCA and Mr. Webb was our taxi. That time in life could be difficult to say the least. What I remember most was Neal's smile. Out of school and on with ours lives I would run into Neal from time to time. He would smile that smile and say hello and asked me how it was going...its going good my friend. Kevin Adkins

“ Neal Jackson was one of the Jackson brothers. They would sing at our church back in the day. B.F. T. We always enjoyed the singing the guitar playing. He always had a smile and a kind word. May God continue to bless and keep you in this time of sadness.

“ Neal Jackson was a good friend who always had a smile on his face and would help you if you needed it. I can say both of us went to the same Junior High and Edwardsville Senior High School and I recall him as one who always had a kind word or joke. It was a shock when I heard the news about my good friend Neal. I know he is in heaven now smiling down and making others smile

“ Met Neil (he was my old school mate from 1st to 12th grade) maybe 25 years ago at Shop n Save in Edwardsville, IL he recognized me and after talking he said "can I give you a hug?" I said "Sure" and too this day I can still feel the Love in that Godly hug he gave me. It made my day brighter and when I think of it I smile all over again. He was indeed a CHILD OF THE KING!! He showed it, he lived it, and he is rejoicing now with the heavenly father now. He IS far better off than we are. I know the vacancy will be hard but we must prepare, prepare to meet him in the air along with Jesus when he returns. His coming is soon!! Be ready ya'll to meet Jesus and Neil again!!! Praying for the family and his church family too to get through this shock. With Love Neil always!
