“ *Deepest sympathy from the family of Al and Mildred Miller: John and Anne, Jim and Cathy, Julie, and Joe. So many fond memories of Noah living on Augusta Street in Alton. Noah was visiting Dad when he passed in 1988. He came to the funeral home when Mom passed. I am doing some work at Christian Hospital and encountered Noah on Friday after Thanksgiving. I'm blessed that he recognized me and we shared these dear memories. I wish we could be there with you to celebrate his life. We are with you in spirit. Julie*

*That's the Noah we knew. Many years of fellowship at ford motor company. Gone but not forgotten wasn't ready for the information when I called his house was looking to hear the jolly voice. Gone but not forgotten, praying for the family during this time*
