“ *My heartfelt condolences to Anthony, Delancy, and the family of my dear friend, Willetta.*

We shared a very special friendship of over 70 years. We might not have seen each other often, but when we had the opportunity to spend time together, it was as if we were never apart. I will miss you dearly, but am forever grateful for our special bond and will treasure the memories we created over the years. I find comfort in knowing that you are happily baking cookies with Vickie.

“ *To the family, we at Alton Community Church express our sincere condolences. Mother Bradley was a long time member of Alton Community and on the Mother's board. She was faithful even in all the sickness she had then, very devoted to Mother Connors and the church at that period of hier life. She will be greatly miss, especially that smile that she always wore on her face. We are praying for your strength and comfort.*

*Yours in Christ,
Minister Carolyn Connors*
